

NSW Police Cyber Command — Evidence Preservation Notice

Classification: LAW ENFORCEMENT SENSITIVE (Simulation)

This notice requests preservation of systems, logs, and records relevant to the reported incident.

Scope:

- Authentication and access logs
- Backup systems and snapshots
- Endpoint telemetry
- Email and gateway logs

Do not alter, delete, or power down systems unless required to prevent further harm.

Issued under investigative powers (simulation context).

Date: 2026-03-18 (Simulation)
